MUSICAL ARRANGEMENTS

Should you want music to be arranged for your occasion which we don't have in our repertoire (I.e. Involving musical arrangement and notation services - For example, if you wanted the quartet to play "Over the Rainbow" and we didn't have it in our repertoire, it would be the clients' responsibility to locate and deliver either a piano score of the music, or another suitable score from which we can make a string quartet arrangement). As arranging generally takes a good deal of time to arrange for string quartet, we request you get the music to us ASAP. The fee is \$150+gst per arrangement.
